

# **'MSFC Emergency Support Services' and 'MSFC 911 System'**

## **SHE Focus Topic For April 2002**

Do you know what to do in an emergency situation at MSFC? As an employee, what are your responsibilities? How long should you stay on the phone with the emergency dispatcher? How quickly will Emergency Responders be sent to the scene? How long will they take to get there? How do you handle an 'after hours' emergency?

These are only some of the questions that will be answered during April, as we focus on MSFC's Emergency Support Services and the MSFC 911 System. To assist in raising Center-wide awareness, our HEMSI Emergency Medical Technicians (EMTs) are available as guest speakers for your safety meeting. To arrange for a guest speaker, contact Brenda Bradford at 544-5650, or Alison Boylen at 544-5651.

**REQUIRED MONTHLY SAFETY MEETING TOPIC: MSFC 911 System**

**SAFETY, HEALTH, & ENVIRONMENTAL INFORMATION:**
